September 30, 2010

Mr. Andy Goh, P.E.
Deputy PW Director
City of Tempe
P.O. Box 5002
Tempe, Arizona 85280

Subject: Rio Salado Lake Dam (07.66)
Request for interim use of Tempe Town Lake

Dear Mr. Goh:

Per your request, the Arizona Department of Water Resources (Department) grants interim approval for the City of Tempe to impound water behind Rio Salado Lake Dam.

This approval is granted based on your assurance that the replacement bladders have been constructed in accordance with the approved plans and specifications and will be operated under the conditions described in your letter dated September 21, 2010, received via email on September 29, 2010.

A License of Approval to operate the modified dam will be issued upon the Department's receipt and acceptance of construction completion requirements as described in Arizona Administrative Code R12-15-1213.

If you or anyone connected to this dam have any questions regarding this letter, please contact Craig Brown at 602-771-8653.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Johnson".

Michael Johnson, Ph.D., P.E.
Assistant Director and Chief Engineer
Surface Water Division
